

ABSDA TRAINING PROGRAMS

Manual Estimating Level 1

Decks/Sheds/Garages and Front Counter Estimating Tools

November 27-28, 2023

Location to be determined based on commitments

WHO SHOULD ATTEND?

Retail sale and estimating staff and counter sales people who are novice.

This course is developed and provided by ABSDA to introduce a respectful process to understanding and completing manual take-offs for simpler building projects.

This course will give you the tools and training to help give better customer service in the estimating of building materials for deck, shed, and garage projects as well as front counter sales. It details and explains the processes required to become better at understanding your customer, visualizing and breaking down building projects, understanding component and products use and calculations including waste considerations.

Monday: 8:30 am - 4:30 pm
Tuesday: 8:30 am - 4:30 pm

COURSE OBJECTIVES

- 1 Basic knowledge of estimating for an assortment of projects including decks, garages and roofs
- 2 Gain a knowledge base of products used for these projects
- 3 Learn basic building practices

TOPICS COVERED

- **Estimating as part of the sales process**
